Tips for online safety

- ➡ Don't reveal your personal data like password, name, address, school name, or any other personal information.
- ➡ Avoid chatting with strangers online.
- ➡ Don't agree to meet anyone you've met online in person.
- ➡ Visit a chat room only with the permission of an adult / parent.
- ➡ If you see something online that disturbs you, close it and inform an adult you trust.
- ➡ Without your parents' consent, do not download or install anything on your computer.
- ➡ Ask your parent or guardian if you have any questions regarding something you've read online.
- ➡ Remember that you don't have to talk to someone online if it makes you feel uncomfortable.
