Cyber Security hands-on training for 120 Police officers

Raise Awareness in Involved Stakeholders

Annual joint conference in Cybercrime & security promoting collaboration between Involved Stakeholders, organized by Center for Security Studies

The European Cyber Security Month (ECSM) is an EU advocacy campaign.

It promotes cyber security among citizens and advocates for change in the perception of cyber-threats, by promoting data and information security, education, sharing of good practices and competitions. Supported by ENISA and EC DG CONNECT.

EUROPEAN CYBER SECURITY MONTH

2015
