ACTIVITIES IMPLEMENTED

3

PUBLIC AND PRIVATE STAKEHOLDERS INVOLVED

18

Information and communication technologies for education

Become Security Master

Annual SECURE conference has grown in importance every year, since IT security becomes more and more important topic to everyone

The European Cyber Security Month (ECSM) is an EU advocacy campaign. It promotes cyber security among citizens and advocates for change in the perception of cyber-threats, by promoting data and information security, education, sharing of good practices and competitions. Supported by ENISA and EC DG CONNECT.

Achievements & Metrics

1 ONLINE QUIZ:

more than 500 websites (mostly schools) covered information about cybersecurity month and on-line quizzes. 12205 users during October. Majority of QUIZ users (57%) gave from 20% to 80% of correct answers

2 ANNUAL SECURE CONFERENCE:

Good agenda. Speakers from many countries. Participants not only from Poland but also from neighbour countries. Long tradition, 17th year

3 TIKE CONFERENCE:

Regional event – conference plus 12 workshops – activates teachers from schools from medium size city.
